

Dear Community Partner:

For the past several years, the Colleyville Heritage High School Girls' and Boys' Golf Teams have brought recognition to our community with many district wins, state champions and golf scholarship recipients. Fielding four different teams, CHHS Golf represents one of the largest high school golf programs in North Texas, traveling to around 25 tournaments each year.

In order to fund these tournaments and allow the maximum number of students to participate, the CHHS Golf Booster Club will host the **12th Annual CHHS Golf Team Fundraising Tournament on Monday, September 30th, 2019 at Timarron Golf Course** in Southlake, Texas.

This year's booster club is looking to our community to support our boys' and girls' golf teams. We ask for you to consider contributing to the success of these students with your participation through **sponsorship or raffle donation** for this year's tournament. The CHHS Golf Booster Club is a non-profit 501(c) 3 organization; donations are tax deductible (83-2278708). Below is a list of sponsorships available.
