

Dear Golfers and Parents,

Golf tryouts for incoming freshmen and anyone new to CHHS for 2022-23 will be on May 15th and 16th at 4:00 pm at Grapevine Municipal Golf Course. For your son or daughter to play well, they will need to practice and play as often as possible. Golf is a cut sport. Coaches decide who makes the team. Decisions about who makes the team include but are not limited to: 1. Academic eligibility, 2. School attendance record, 3. Golf Skills, 4. Behavior and character, 5. Potential to make/contribute to Varsity. Colleyville Heritage golf is competitive golf and above the recreation level. Please don't wait to see if they make the team to start with lessons and tournaments. They can find tournaments in the spring at the NTPGAJuniorGolf.com or TJGT.com. This tournament experience would greatly benefit them for tryouts.

For try-outs, they need their own clubs, shoes, plenty of golf balls and a full water bottle. They should also dress according to club policy, Boys: shirt with collar, tucked in and they can wear shorts or pants, whichever is comfortable for them. Girls usually wear a Skirt or shorts. They will be expected to walk and play per USGA and U.I.L. rules. Golf tryouts will consist of playing 2 nine-hole rounds.

We will play USGA golf rules and triple bogey pickup. They will keep each other's score, so it is an expectation to be able to keep score and have a general idea of the rules. We have a strong tradition of having good golfers that compete well against other good programs so please take advantage of knowing what is expected and playing this spring.

A current physical **MUST** be on file with the CHHS Athletic Trainer to try out. **NO EXCEPTIONS**. Physicals are good for one year from the date of exam.

A parent **MUST** complete the required online paperwork via the [RankOne Parent Portal](#). Please contact your coach if you have any questions.

EXPECTATIONS

Seniors: average 85 or better, girls average 93 or better

Juniors: average 79-84 or better, girls average 89-94 or better

Sophomores: average 85-94 or better, girls average 95-104 or better

Freshmen: average 100 or better, girls average 105-115 or better
